RIVERVIEW PARK ACTIVITIES CENTER

The Riverview Park Activities Center is the hub of North Augusta's parks and recreation facilities.

Built in 1994, the 94,000 square foot center anchors the city's 149-acre Riverview Park. The Activities Center features four regulation-size high school basketball courts, two of which can be combined to create one regulation size college court.

Suspended above the gymnasiums, a 1/6-mile banked track allows walkers and joggers the opportunity to work-out in air-conditioned comfort while watching the action on the courts inside and catching glimpses of the Savannah River and the city's popular Greenway Trail outside. The 15-foot wide track has two flat lanes for walkers and two banked lanes for joggers.

Racquetball enthusiasts enjoy a fast-paced match in one of the two regulation-size racquetball courts while others head to the workout room to use the Cybex stationary machines and cardiovascular equipment that includes stairmasters, ellipticals and rowing machines.

The center's amenities also include locker rooms with showers, a game room with video games and pool tables, an arts and crafts room, concessions and several meeting and activity rooms. The facility is fully ADA accessible and includes adaptive equipment for those with restricted mobility.

ORGANIZED RECREATION

The Activities Center offers numerous programs, camps and classes for year-round recreational fun. Each fall, over 1,000 boys and girls take center court as they participate in youth basketball programs. Adult and co-ed volleyball, aerobics, gymnastics and even guitar lessons and massage are regular offerings. A variety of basketball camps and a cheerleading camp are also offered each year. A registration fee is required for participation in organized recreation programs, camps and classes.

EVENTS

The Activities Center is host to numerous athletic and community-based events. It is the site of the annual *Nike Peach Jam* and *Nike Nationals* basketball tournaments, two national recruiting showcases featuring the best high school basketball players from across the country. The center also hosts several state championship tournaments in participation with the *Youth Basketball of America* and *Amateur Athletic Union* programs.

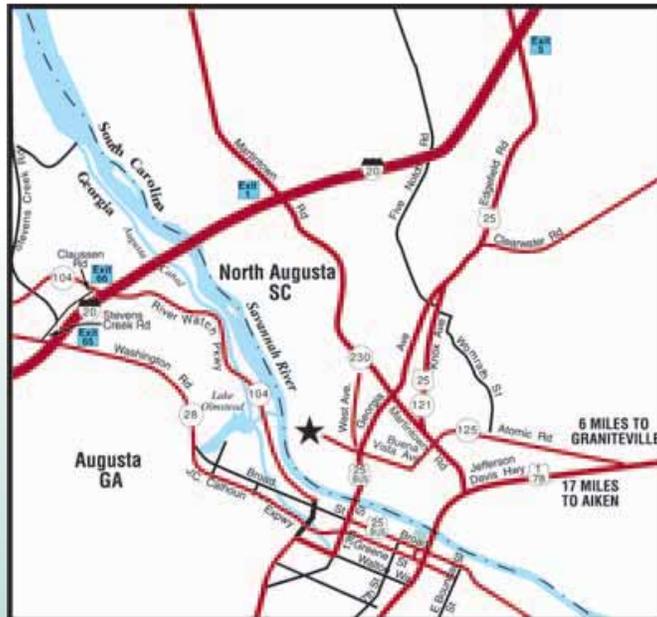

In addition to basketball, the center may be rented for special events. It has long been the site of the local *American Kennel Club Dog Show*, a cat show, art exhibits and other venues. Rooms are also available for smaller club and organization meetings, family reunions, birthday parties and more.

The Activities Center is managed and staffed by the City of North Augusta Department of Parks, Recreation and Leisure Services with the support of a wonderful group of senior volunteers who staff the front desk and check in members and visitors to the facility.

JOIN US!

Use of the Activities Center is available through annual membership at a nominal rate. There are no contracts to sign and no monthly fee is required. Fees are based on residency with the lowest rate offered to city residents. Both single and family memberships as well as one-day passes are available. Membership includes the use of the facility and equipment. Seasonal organized recreation programs, special classes and camps require additional fees.

For detailed information about membership, hours of operation, specific recreation programs, camps or classes, and upcoming events, please visit our website at www.northaugusta.net or contact us at:
